President's Message 2011

Here we are ~ May long weekend one year later. Where does time go? I think 2010 was a very successful year for the H.L.C.A. We had a good turnout for the 2010 AGM with informative speakers, introductions and speeches from our local candidates for the Fall election, positive information for the members and a most enjoyable Meet Your Neighbour. A great start to the summer of 2010.

The 2011 AGM and Meet Your Neighbour event will be held on Saturday, May 21, 2011 at the H.L.C.A. Church/Hall. The AGM begins at 7:00 PM with the Meet Your Neighbour following. This is the opportunity for you to come out and meet your local councilor, Walt McKechnie, listen to guest speakers of interest and visit with the other cottagers and residents of Haliburton Lake. We hope you will join us for the AGM so we can hear what you would like to see happen around the lake and this is your opportunity to voice your concerns. Hopefully this will be a great start to 2011!

We are already in better shape as far as the lake water levels go. It was a desperate situation for everyone last year with the extremely low water levels. This also caused great difficulty and dangerous situations in getting the markers/buoys in place by the HLCA volunteers for navigation. This year we have received some reports of unfortunate incidents with the ice, higher water levels and some docks and cribs around Haliburton Lake. When possible we notified the cottage owners about the situations. We have also notified some members, when incidents were reported to the HLCA, of trees that have come down in the winter months on cottages or buildings. This is another good reason to join the HLCA, as we have the proper contact information if needed when a neighbour or member the lake community informs us of these situations. It was a busy winter on Haliburton Lake with good snow and ice. There appeared to be a lot of ice fisherman and snowmobilers taking advantage of the good local conditions.

Check out the HLCA calendar and the activities and events planned for the summer. With some adjustments all programs will continue for summer 2011, but we are actively looking for volunteers to run the Rock Bass Derby and Adult Bingo. The Rock Bass Derby is an important project to protect the natural reproducing lake trout population of Haliburton Lake. In lake health terms a naturally reproducing lake trout population is like gold! This is also something that many of us learned last year at the meeting, that the water levels in the fall are directly related to the spawning of the lake trout. The water must be at a certain level to provide proper spawning beds. If the water levels rise after, then the eggs will be destroyed, wiping out that year's trout population.

The Newsletter will be available for pick up at the AGM or Meet Your Neighbour at the Hall on Saturday, May 21. Any newsletter packages not picked up will be mailed the following week. We hope you enjoy the Newsletter, and it provides you with information on what is happening on your lake. We had a great response from Haliburton area businesses and services and we hope you support them. They value your business.

**The Newsletter is also in need of a Director for 2011.

Please watch the sign at the Marina for notices on activities that happen around the lake. This is our 'Notice Board' with the lake community. Thank you to Maria and Brad who are most helpful and understanding. They keep a 'post office' box at the Marina where cottagers and residents can exchange memberships or documents for the H.L.C.A. Also check in frequently to our web-site managed by Nick Mezzapelli, www.haliburtonlake.com ~ thanks Nick for your excellent work keeping us up to date.

Wishing you all a safe, enjoyable summer at the lake and beyond. If you get the chance, come out to any of the events and say hi!
Looking forward to seeing you at the lake this summer!

'NAME OUR BOAT' CONTEST

The HLCA has purchased a well-used, plain but seaworthy pontoon boat and small motor for use in Navigation. It is sturdy and safe for the 'putting in' and 'taking out' and maintenance of the markers. The only thing we need now is a name for our HLCA boat.

The contest is open to children 12 years and younger. You can enter by e-mail, mail or by putting your name choice in the '**NAME OUR BOAT**' jar at Kid's Bingo. Please make sure to include your name, address and phone number so we can contact you if you win a prize!

To submit a name by e-mail send to: hlca@bell.net

or by mail to: HLCA—Name the Boat
5041 Haliburton Lake Road,
Haliburton ON. K0M 1S0

Here is your chance to become part of Haliburton Lake's history! So think of a great name and send it in or put it in the Name Our Boat Jar at Kid's Bingo! (You might win a great prize!) Deadline for receipt of names is July 19, 2011.

KID'S BINGO

This year Kid's Bingo was run by two enthusiastic ladies Jill Feder and Gwen Feagan who did a fantastic job. Tuesday night Bingo was well attended and even a profit was made on both Pizza Bingo nights!

"We would like to thank all the kids, parents and grandparents who came out for some fun and support Kids Bingo. We had excellent turnout last summer and our two Pizza Bingo nights were a great success.

The Pizza Bingos for summer 2011 will be on July 19th and August 9th.

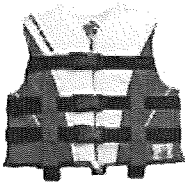

We are looking forward to seeing you again!"

Gwen and Jill

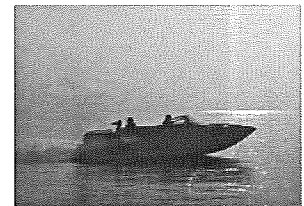

Come out and have fun, win some prizes and get a treat on Tuesday nights and don't forget to join us for dinner and Bingo on the Pizza Bingo nights!

Boating Update

As of September 1, 2009 all persons who drive motorized watercrafts **must** have a valid Boat Licence. The fine is \$250.00 for driving a motorized watercraft of any size without a licence.

The Ministry of Oceans and Fisheries have set new criteria for Boat tests to make them standardized. Tests are now 50 questions long. There will not be any changes for people who now hold a Boat License.

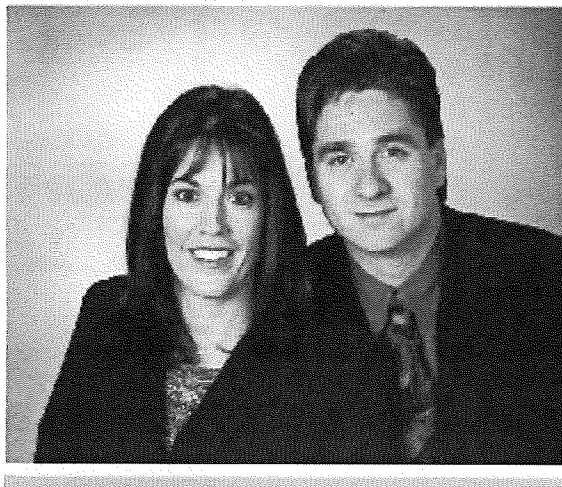

People who still need to get their Boat License can do so with Boat Smart either on-line or at a participating Canadian Tire store. There are also opportunities in Haliburton, check the local papers for dates, locations and times.

Enjoy a safe summer boating on the Lake!!

BLUE '911' SIGNS

Some cottage owners and residents have found that the numbers have partially or totally come off of the blue 911 signs. Missing road signs are potentially a life-threatening problem. You may report this problem at the County Administration Office at 11 Newcastle St. in Minden or call: 705 286-1333 or 1-866-886-8815.

ROCK BASS DERBY

HELP YOUR LAKE! Spend sometime in the boat or on the dock with your kids, fishing for Rock Bass! (The kids love it because Rock Bass are so easy to catch).

The Rock Bass Derby is a great success. Every week, kids show up at the public beach to weigh-in their fish and win prizes and help the lake trout in Haliburton Lake.

Rock Bass are predators of the Lake Trout and Bass, as they eat the eggs and minnows of these other fish. Reducing the number of Rock Bass makes for better fishing in our lake.

We hope to see you again in 2011!

Weigh in: At the Public Beach
Sundays from Noon to 12:30pm
July 17, 24, 31 and August 7

There will be 3 categories: Kids 12 and under; Teens 13-17; Adults 18 and over

HLCA SWIMMING 2010

Yet another season of swimming has come and gone successfully. Lisa Carey and Ryan Siersma coached the children through their paces while making the lessons fun. The weather was perfect and the water conditions were great. Thanks for a job well done. The new preschool classes were very popular and we hope to see continued enrolment for the up coming summer.

The following children worked very hard to complete their swimming badges.

Red Cross Swim Kids Preschool:

Jake Rossell, Julia Kea, Sophie Lamb, Skylar Kettlewell, Cailey Kettlewell, Josh Chapple, Chelsea Mitchell, Colin Mitchell, Caelan Winmill, and Lucy Rickwood

Red Cross Swim Kids 1:

Ben McKeen, Aaron Vandepol, Summer Cowen, Jacob Miller, Braedon Miller, Madeline Rossell, Matthew Simpson, Taylor Mason. Blake Mason, Kya Gallion and Kiera Gallion.

Red Cross Swim Kids 2: Joshua Simpson

Red Cross Swim Kids 4: Dustyn McCready-DeBruin

Red Cross Swim Kids 5: Logan McCready-DeBruin

Red Cross Swim Kids 7:

Jessica Tamburano, Sarah Tamburano, Lucas Vandepol, Claire Vandepol, and Mackenzie Simpson

Red Cross Swim Kids 9: Claire Moran and Damon Krawl

See you at the BEACH!
Jennifer Bradbury

Swimming Lessons at Haliburton lake have been a mainstay with the HLCA for many years and we will continue to provide this service. It is a priority of the HLCA to provide all options for safe water practices for all our cottagers' and residents.

Registration for all swimming courses will be Monday mornings from 10 – 12 at the Public Beach. Pre-registration will be on Saturday July 2, from 10 – 12 at the HLCA Hall. Swimming lessons begin Monday July 4 and continue through Friday August 12. Please, sign your children up for swimming lessons. The ability to swim well and learn how to deal with lake conditions is one of the most important skills you will give your child, enabling them to have a safe and happy summer.

Starfish - parent and tot (4 months to 18 months)

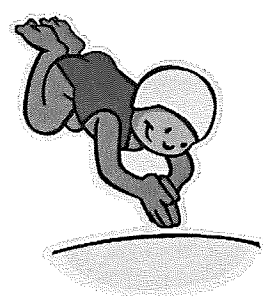

An intro class for babies and caregiver. To enter this level, baby must be able to hold their head up. The goal of this class is for the baby to experience buoyancy, movement, entries, song and play in the water.

Duck - parent and tot (18 months - 30 months)

Toddler builds confidence while enjoying the water through games, songs and activities.

Sea Turtle 1 - parent and tot (30 months - 36 months)

In this level the toddler will develop swimming skills such as gliding, floating, and building awareness of deep water and safe entries.

GET YOUR SWIM BADGE IN 1 WEEK

Children signing up for double classes will have the opportunity to complete a full badge in one week. Talk to your instructor for further information.

'Down At The Hall'

An Evening of Music with Ron Nigrini & Michael Feagan

The HLCA was proud to host the second annual 'Down at the Hall' concert this past summer and is pleased to report on it's second year of success.

Ron Nigrini was our featured guest and Michael Feagan was our talent from the lake. The evening was full of great music and re-united friends. Similar to the year prior, the night was made special by the intimate atmosphere where the musicians feel comfortable enough to share not only their music but their stories too, and Ron had some great ones!

An Evening of Music with Bill Candy & Roly Platt

This year, the HLCA is excited to announce the return of Down at the Hall for a third year. Audience members will once again enjoy the musical talent of our very own Bill Candy! Bill will be performing his original songs and soulful covers joined by featured guest, Roly Platt. For over three decades, Roly Platt has remained one of Canada's premier harmonica players. Roly's versatility and skill on the instrument has enabled him to become a sought-after live and studio musician. To date, he has been recorded on over a thousand national commercials, TV/ film scores and album cuts. He was nominated this year in the best harmonica player category at the Maple Blues awards. However he may be remembered most by Haliburton Lakers from when he played along side Bill Candy at the HLCA 50th Anniversary party down at the beach!

You can catch Bill and Roly this summer on Saturday August 27th 2011 "Down at the Hall."

Tickets are \$10 (under 16, \$5) and available at the door. Show: Saturday August 27 and starts at 8pm. Doors open at 7:30. Snacks and non alcoholic drinks at intermission.

Adult Bingo

Adult Bingo is for residents and cottagers 16 years and older, or for youths accompanying an adult. It is held Thursday night at 8:00 pm at the HLCA Hall. It is a great opportunity to visit with other cottagers and residents of the lake while having some fun and maybe winning a few dollars too!

Adult Bingo has been in need of a volunteer to run this event for a couple of years. For the summer of 2011 the swimming employees will be running Adult Bingo - Thursday Nights at the Hall.

The Adult Bingo program will be changed and condensed from previous years. Unless support is found for this program it will not be continued the following year.

Come out and join us. See you at the Hall!

REGATTA 2010

Regatta 2010 was a wonderful day spent on the beach with family and friends. Between volleyball, horseshoes, swimming and face painting there was hardly time to sit still. As always, a huge shout out to everybody who helped to make Regatta such a success! The board members of the HLCA work very hard to promote and run all kinds of events all summer long but this is one that would suffer the most if we didn't have help.

Plans for Regatta 2011 are already underway, but if you would like to help out we will find you something to do! The best way to stay connected to what is happening this summer on your lake is to check out the HLCA web-site, www.haliburtonlake.com and join our Facebook group. Search HLCA Events 2011 and join the group for up to the minute information.

See you at the beach!

HLCA MEMBERSHIP

A beautiful, sunny day, early March on Haliburton Lake! Snowmobiles are travelling up and down the lake and the ice fisherman are out in full force enjoying one of the last beautiful winter days before the rain and slush sets in. It won't be long before spring and then summer, sunshine, the lake, the beach and the cottage... It is time to support your lake association, the Haliburton Lake Cottagers Association!

A great reason to join... HLCA members watch out for each other! This year we have contacted several HLCA members who have had trees fall on their cottage, suffered from weather related damages or security risks have been noted. The HLCA contacted the property owners because their information was easily accessed and current.

Another great reason... several of our members have discovered their insurance is reduced because they belong to the HLCA, who is a member and supporter of FOCA. Check with your insurance provider.

Just a reminder of how Signing Up for Membership works:

A Full Membership is purchased by the cottage property owner(s).

An Associate Membership may be purchased by secondary residents of the cottage property, relatives and/or friends of the cottage property owner, renters or anyone else who would like to be a member of the H.L.C.A. A Full Membership must always be purchased before Associate Memberships are purchased. There are two special exceptions: renters or visitors who purchase Associate Memberships and the cottage owners have not joined. An Associate Membership is still \$25.00. Please note the name of the cottage owner on the membership form.

Remember, the mailing address you put on the Membership form is the address that we will use year round.

**All monies collected through Membership fees are used for H.L.C.A. programs, events, services and maintenance only. Donations designated for specific purposes are used for that purpose only.

MAILING INFORMATION / CHANGES:

If you have information changes/corrections please include them on your Membership Form or send them by e-mail to hlca@bell.net so information is current.

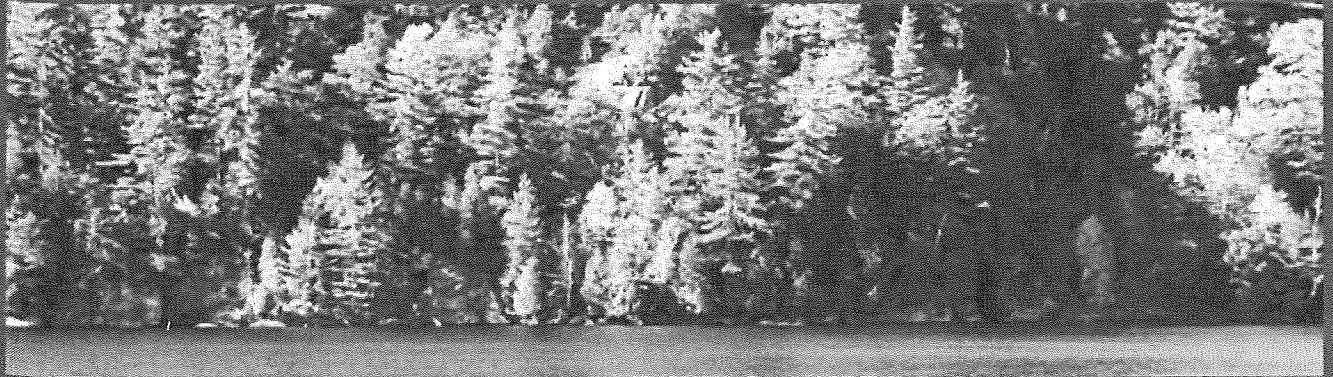

Please be assured the information collected on the membership form is for H.L.C.A. use only, in keeping with the Privacy Act. If you do not wish to receive any mailings from the H.L.C.A. please notify us in writing so that your name can be removed from our mailing list.

NEW NEIGHBOURS / MEMBERSHIP FORMS / MEMBERSHIPS:

If you know of new neighbours when you send in your membership, please include a note on the back of your form or send an e-mail to hlca@bell.net and a package will be mailed or delivered to them. Thank you! Membership forms are available at the Marina after March 25, (thanks Brad & Maria) or on the HLCA web-site (thanks Nick).

HLCA HALL REPORT

After a complete rebuild of the main Hall floor and structure in 2010, work was carried on to rebuild the structure and floor of the back Hall including the bathrooms, closet and kitchen area. Once again the years have taken a toll on the beams, but now with the structural repairs completed, cosmetic repairs to the washrooms and kitchen can be completed in the future.

All work was tendered and completed over the winter months. It was encouraging to hear the favourable comments regarding the ongoing reports from members of the HLCA.

Haliburton Highlands Secondary School Bursary

The HLCA has for many years supported an annual bursary of \$100.00 at Haliburton Highlands Secondary School, our local high school.

It is awarded to the student who will be continuing their post secondary education in the field of environmental studies.

We also have several students each year that volunteer with the HLCA to complete the necessary volunteer hours needed to graduate from high school. If there are high school students spending time at the cottage in the summer who would like to do the same please contact the HLCA by email: hlca@bell.net

fireworks

I think for many on Haliburton Lake fireworks night is the favourite! We look forward to this event every year as the kick off to summer.

Dave Freeman and his 'fireworks' team never disappoint the many spectators that come to watch at the Beach and as always, a huge number of boats which cover the bay to take in the show. The fireworks also bring in the most donations to help cover costs, which supports it's popularity.

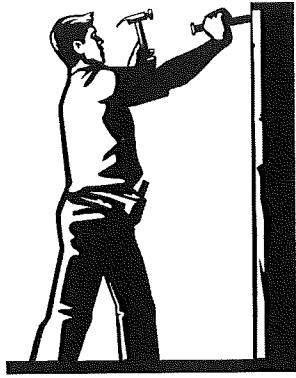

Many thanks to Dave Freeman for his expertise in putting on the display and his crew, Dave Woodrow; Paul Metcalfe; Merle, Matthew & Michael Collins!

We have had several inquiries about moving the dates of the fireworks for holidays or weather. The reason the dates for fireworks are so definite is the fireworks have to be ordered early in spring and must be ordered and set off by a licensed technician. We are fortunate to have our own resident technician on the HLCA board. The date of the event must be set at time of ordering and special insurance must be purchased. The insurance is valid for those dates only. Therefore there are limitations when adjustments due to weather are needed.

We hope you enjoy the 2011 fireworks display on Saturday, July 2 at dusk at the Haliburton Lake Public Beach. (Rain date: July 30, 2011 Regatta evening).

Haliburton Lake Landfill

There is now a 'dumping' bin on site, as well as the recycling bins. Garbage bags are no longer thrown in a pile. There is a dump site manager that will help you if you have questions on where to put your garbage and recycling material. If you have questions or concerns, please contact the Haliburton Landfill Office, ask for Mark, 705 457-9318.

Landfill cards must be shown at the dump when taking garbage. Two landfill cards are inserted with the 2011 Final Tax Bill. Please note: the cards come from the Municipality, the HLCA does not deliver dump cards. If you misplace yours, two free replacement cards can be issued. Please contact the Municipal Office: 705 457-1740. Additional cards if required can be purchased for \$25.00 per card. Please note: The Landowner is responsible for providing the tenants or renters with the landfill cards.

Clear/transparent garbage bags became mandatory as of September 1st, 2007. Only clear or transparent bags are allowed. Up to 1/3 of the garbage in the transparent bag can be placed in a 'kitchen catcher' bag or grocery bag for 'personal items of garbage.

The Mandatory Recycling Program is being strictly enforced. There are recycling bins available for purchase at the Municipal Office and Landfill sites for \$5.00.

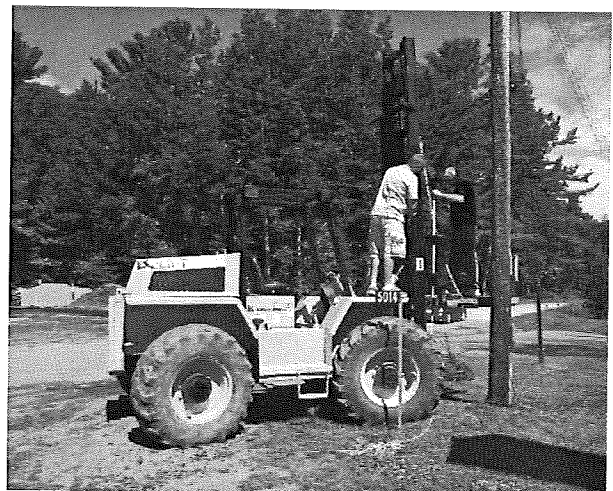

There will be a Household Hazardous Waste Day at the Haliburton Landfill Site—Industrial Park in August. Watch the local paper for the announcement.

West Bay Dump hours are: Thursday, 10 AM - 5 PM; Sunday, 12 noon - 8 PM
Holiday Mondays: 12 noon - 8 PM

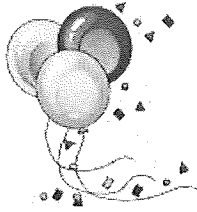

South Bay Dump hours are: Tuesday & Saturday, 10 - 5 PM

Only Household garbage is accepted. No mattresses, sofas, stuffed chairs. No building materials will be accepted. This refuse must go to the Haliburton Landfill site in Industrial Park.

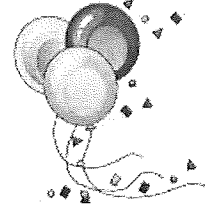

Please, if you do not make it to the dump in time, do not put your garbage at the gate. It will be everywhere the next morning. People live and cottage here. We do not want garbage all over our roads and we do not want to have animals on the road in danger of being hit. Thank you.

Brad Willing and Bob Lambe hang flower baskets from Fort Irwin Garden Center to add colour to main street Fort Irwin. Thanks!!

Navigation

After record low water levels in 2010, many cottagers will arrive to record high water levels and many damaged docks, gangways and cribs in 2011.

Unfortunately the low levels of 2010 made placement of the buoys very difficult, dangerous and late. Hopefully 2011 will allow for easier and earlier installation with the HLCA pontoon boat.

Many thanks to Brad at the Fort Irwin Marina for his help placing and agreeing to oversee the buoys in the channel to Fort Irwin on behalf of the HLCA.

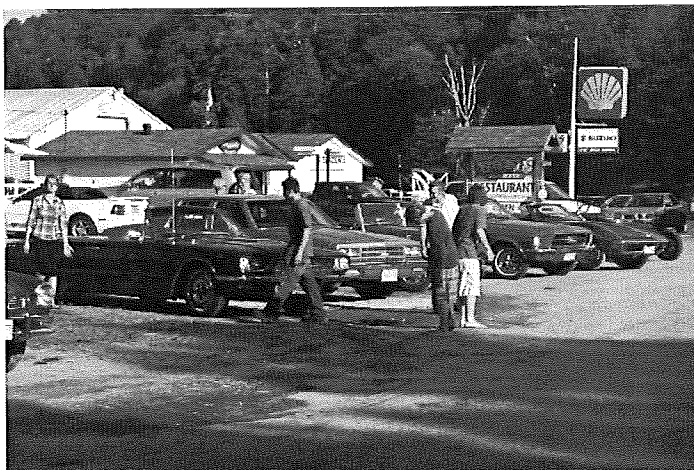

With the addition of the new docks at Fort Irwin by the Fort Irwin Marina, with support from some of the business owners and the HLCA, there should be plenty of parking for those who travel the lake and visit the Fort Irwin Centre.

At our meetings we receive complaints from cottagers and residents regarding large wakes from boats travelling at a higher rate of speed. Please remember the speeds are 10 KPH in channels, under bridges and within 100 feet of shore. We ask that boaters be aware of their wakes and slow down in these areas, approaching Fort Irwin and docks. Hopefully this will also reduce erosion damage and make the lake safer.

Boating licenses are mandatory for all this year!!

Remember ~ Water on the Water ~ Beer on the Pier! Safe Boating!

Volunteers for Navigation are needed!! Please e-mail hlca@bell.net if you can help out.

In Memory

SAAR, Eric

Erik Saar passed away peacefully on August 2nd, 2010 at Toronto Grace Hospital after a short battle with cancer. Born in 1926 in Estonia, Erik, like many dislocated by WWII, received his education in a number of languages and countries Estonia, Sweden and Canada - and graduated cum laude from U of T Civil Engineering.

One of the original cottagers, Erik and his wife Ingrid bought their cottage in 1957 during Erik's last year of university. Being good Scandinavians with their first child on the way, it was imperative to have a place in the country with fresh air and water.

As a consulting engineer, Erik travelled widely, living at times in the US, South Africa and England, where he oversaw building a portion of the Channel Tunnel.

Wherever he was, Erik always longed to return to his beloved Haliburton, his favourite place on earth.

Between sailing, boating and off-roading on his original 3-wheel ATV, Erik always had cottage improvement projects on the go - providing abundant childhood memories of waking up to the chainsaw early Sunday morning, indoor finishing work on the hottest day of the summer with shreds of fiberglass sticking to sweaty skin, friends pitching in to help with the latest build project. Mosquitoes never bothered Erik, who could be seen in his bathing suit while others donned bug suits! Erik's evening reward for a hard day's labour was to sit on the deck or by the bonfire, drink in hand, quietly absorbing the peace and beauty of Haliburton. Erik's love for Haliburton lives on in his children and grandchildren, who travel from as far away as Calgary to spend Christmas and summer holidays at the cottage.

LOCKHART, Sarah

Peacefully at Hyland Crest Senior Citizen's Home in Minden, ON. On Tuesday, September 21, 2010 in her 91st year. Beloved wife of the late Peter "Edwin" Lockhart. Loving mother of Bert (Marilyn) of Haliburton and Margaret "Olive" (Mrs. Terry Maguire) of Wilberforce. Fondly remembered by her grandchildren Michael, Mark, Morgan (Kayla), Wayne (Karina), Jennifer and by her three great grandchildren John, Alyssa and Brody. Sarah and family were long time cottagers of Haliburton Lake ~ Delaney Drive.

SMITH, George Melvin (Mel)

Entered into rest at the Ross Memorial Hospital in Lindsay on Wednesday, October 27, 2010. Beloved husband of Joan (Moorfield) for 59 years. Dear father of Bill and Michael, grandfather of Christopher and Sarah; Jennifer, Ian and Shanna. Great grandfather of Trevor. Mel will be fondly remembered by Kyle and Jennifer.

McCARTHY, Shirley

Peacefully at Haliburton Hospital on Friday, March 18, 2011 in her 90th year. Loving daughter of the late Charles & Eva Chamberlin. Pre-deceased by her three husbands. Loving mother of Barry Cook of Haliburton. Dear sister of Audrey Severs of Calgary, Alberta.

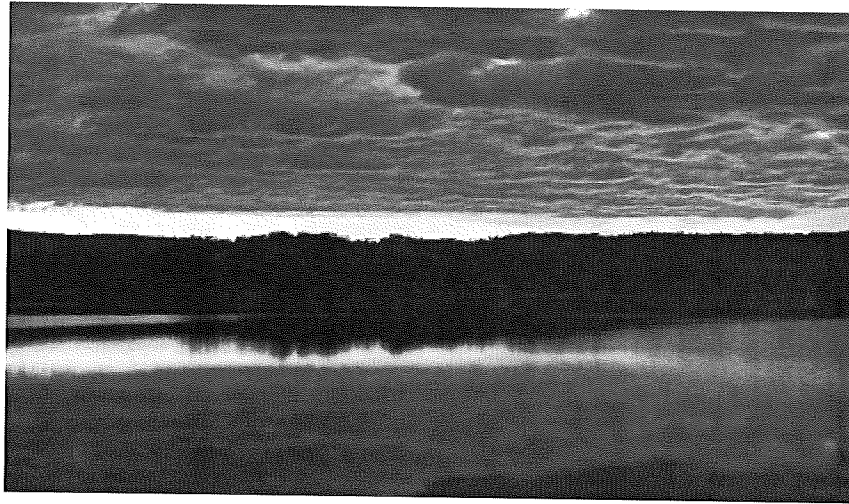

Shirley enjoyed life at Haliburton Lake and was an active participant in the Fort Irwin Resident's Association (FIRA) and enjoyed the company of her many friends!

CRUMP, John Donald

At Southlake Regional Health Centre on Thursday, May 5, 2011 with his family by his side. Beloved husband of Erma McPherson and the late Elizabeth. Dear father of Susan (Thomas Kral), Nancy (Jason Kea) and Cheryl, Scott and Craig McPherson. Loving grandfather of Erin, Damon, Julia and Alison. For most of his career he served as financial officer of Maple Leaf Gardens and was a former Commissioner of the CFL. He will be greatly missed by his many friends and family.

CANDY, Rev. Canon Douglas

Peacefully on Thursday, May 12, 2011 at McCall Centre in his 96th year. Beloved husband of the late Catherine. Loving father of Lorraine Glazebrook and her husband Bob of Guelph and Bill and his wife Joan of Mississauga. Dear grandpa of Brad and Philip Glazebrook and Emily, Pamela and Glenn Candy. His ministry over 70 years will be remembered by the many lives he touched.

Haliburton Highlands Health Services

Donations through HLCA

In the past there has been a place included on the HLCA annual Membership Form that a donation could be made specifically to the Haliburton Highlands Health Services (Haliburton & Minden hospitals).

This year, through my work with the HHHS Foundation, a separate form was created and included in our annual Newsletter package. This flyer allows for your donation to receive a tax receipt directly through the hospital Foundation while your donation helps with many special projects supporting the local hospitals. A benefit to all.

This year the fundraising focus is to replace the x-ray machines in both hospitals. Something that will benefit all cottagers and residents alike. I know our family has had to take advantage of the service!

These are difficult times, but if your budget allows please send your donation in to the address on the flyer or put it in a sealed envelope with HLCA on the front and drop it in to the Marina. I will deliver the envelopes and the Foundation will send your receipt.

Thanks very much!
